Hiring Manager

TCS Limited

Noida – 201304, Uttar Pradesh

Subject: Application for Machine Learning Intern Position

Dear Hiring Manager,

As a passionate student of artificial intelligence, I am excited to apply for the Machine Learning Intern position at TCS Limited — a global leader in innovation and IT services. I discovered this opportunity through your official LinkedIn page. With a strong foundation in machine learning, data science, and programming, I am eager to contribute to your team and grow within your esteemed organization

Currently pursuing a B.Tech in Computer Science (AI) at Teerthanker Mahaveer University, I have developed a solid foundation in machine learning frameworks and tools, including Python, TensorFlow, scikit-learn, and pandas. I also have working knowledge of databases such as MySQL and experience with data preprocessing, model development, and evaluation. My academic projects and hands-on experience have strengthened my ability to build and deploy machine learning models, and I am confident in my potential to contribute effectively to your AI-driven initiatives

I am enthusiastic about the opportunity to contribute to TCS's cutting-edge AI solutions while learning from industry experts. I would welcome the chance to discuss how my skills and passion for machine learning can support TCS's innovative projects in greater detail. Thank you for your time and consideration.

Sincerely,

Mohd Salik
